- ✓ Philosophy of the Police Department
- ✓ Partnerships within the community
- ✓ Collaborative problem solving
- ✓ Focus on quality-of-life issues

A grayscale, low-resolution photograph of a group of people in a meeting. Several individuals are visible, some looking towards the camera and others looking away. The image is centered in the background, behind the text.

What is a Community?

Does your community have a Vision?

*A realistic, credible, attractive
future for an organization.*

Characteristics of Vision

- ✓ Sets standards of excellence
- ✓ Reflects high ideals
- ✓ Clarifies purpose and direction
- ✓ Inspires enthusiasm and commitment
- ✓ Well articulated and understood

How do People Solve Problems in Your Community?

***Why don't things get done
in your community?***

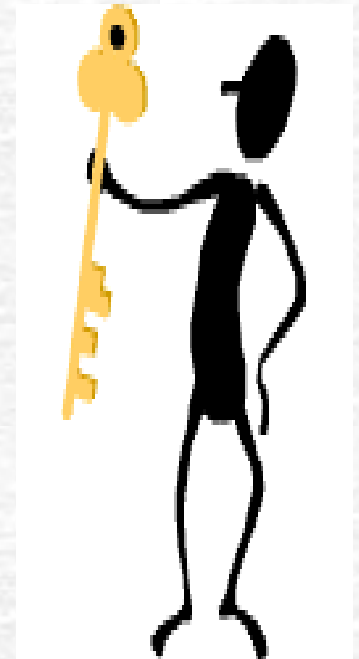

Common Barriers

- ✓ Turf battles
- ✓ Business as usual
- ✓ Time
- ✓ Money
- ✓ Personality conflicts
- ✓ Others?

Need for a Problem-Solving System

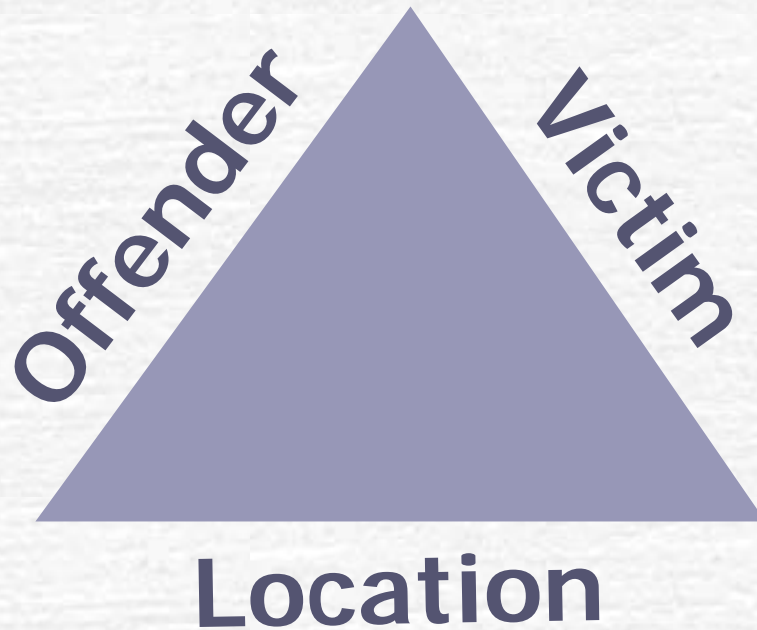

- Problems are larger than individuals
- Need for accountability
- Must assume responsibility for solutions

Community Policing Partnerships – Bridging the gap

- ✓ Improves knowledge
- ✓ Broadens contacts
- ✓ Saves police resources
- ✓ Transfers responsibility
- ✓ Builds support
- ✓ Generates resources
- ✓ Builds trust/safety
- ✓ Expands options

Crime Triangle

How Are Incidents Related?

- ✓ Location
- ✓ Suspect
- ✓ Victim group
- ✓ Behavior
- ✓ Time
- ✓ Evidence
